

# **Find Your Community. Join Your Club.**

A step-by-step guide to registering for clubs  
using the new Academia Clubs platform.

# Say Goodbye to Paper Forms.

The Academia Clubs platform is a new online system that lets you register for clubs digitally. The entire process is now faster, simpler, and all in one place.

You can apply to join up to **three** different clubs.

The Old Way

The New Way

# Your Four-Step Journey to Joining a Club

## Part 1: Create Your Account

Your personal home base for all club activities.

## Part 2: Get Your Token

The digital key needed to unlock your application.

## Part 3: Apply to a Club

Explore your options and submit your application.

## Part 4: Track Your Status

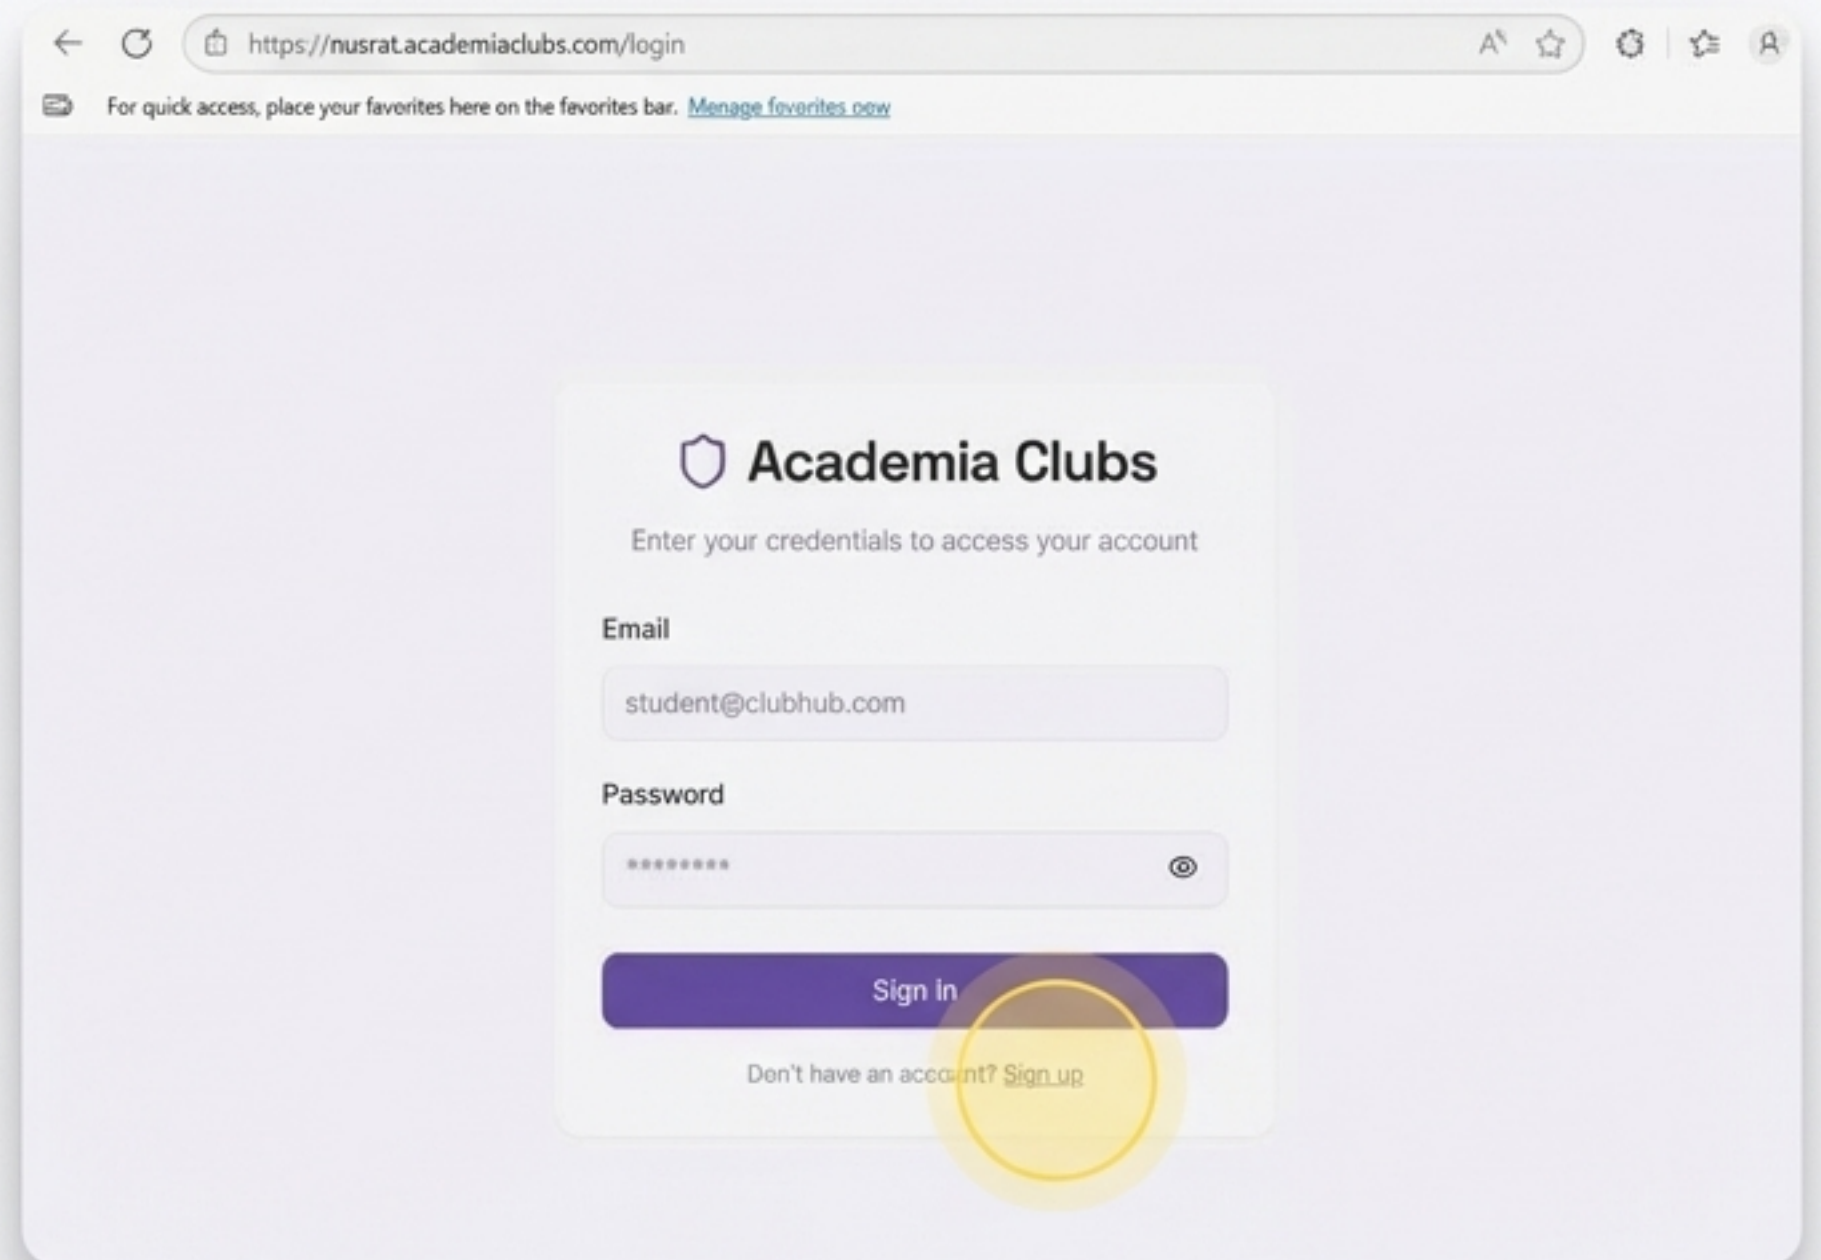

Watch your application's progress in real-time.

# Part 1: Begin Your Journey

Creating Your Account

# Start by Creating Your Account

First, visit [www.nusrat.academioclubs.com](https://www.nusrat.academioclubs.com). On the login page, click the 'Sign up' link to begin.

# Fill In Your Details to Register

Complete all the required fields on the 'Create Account' screen. This information creates your unique student profile.

- First Name & Last Name
- grNumber (Your Student ID)
- Email
- Gender
- Class
- Password

The image shows a 'Create Account' registration form with the following fields and values:

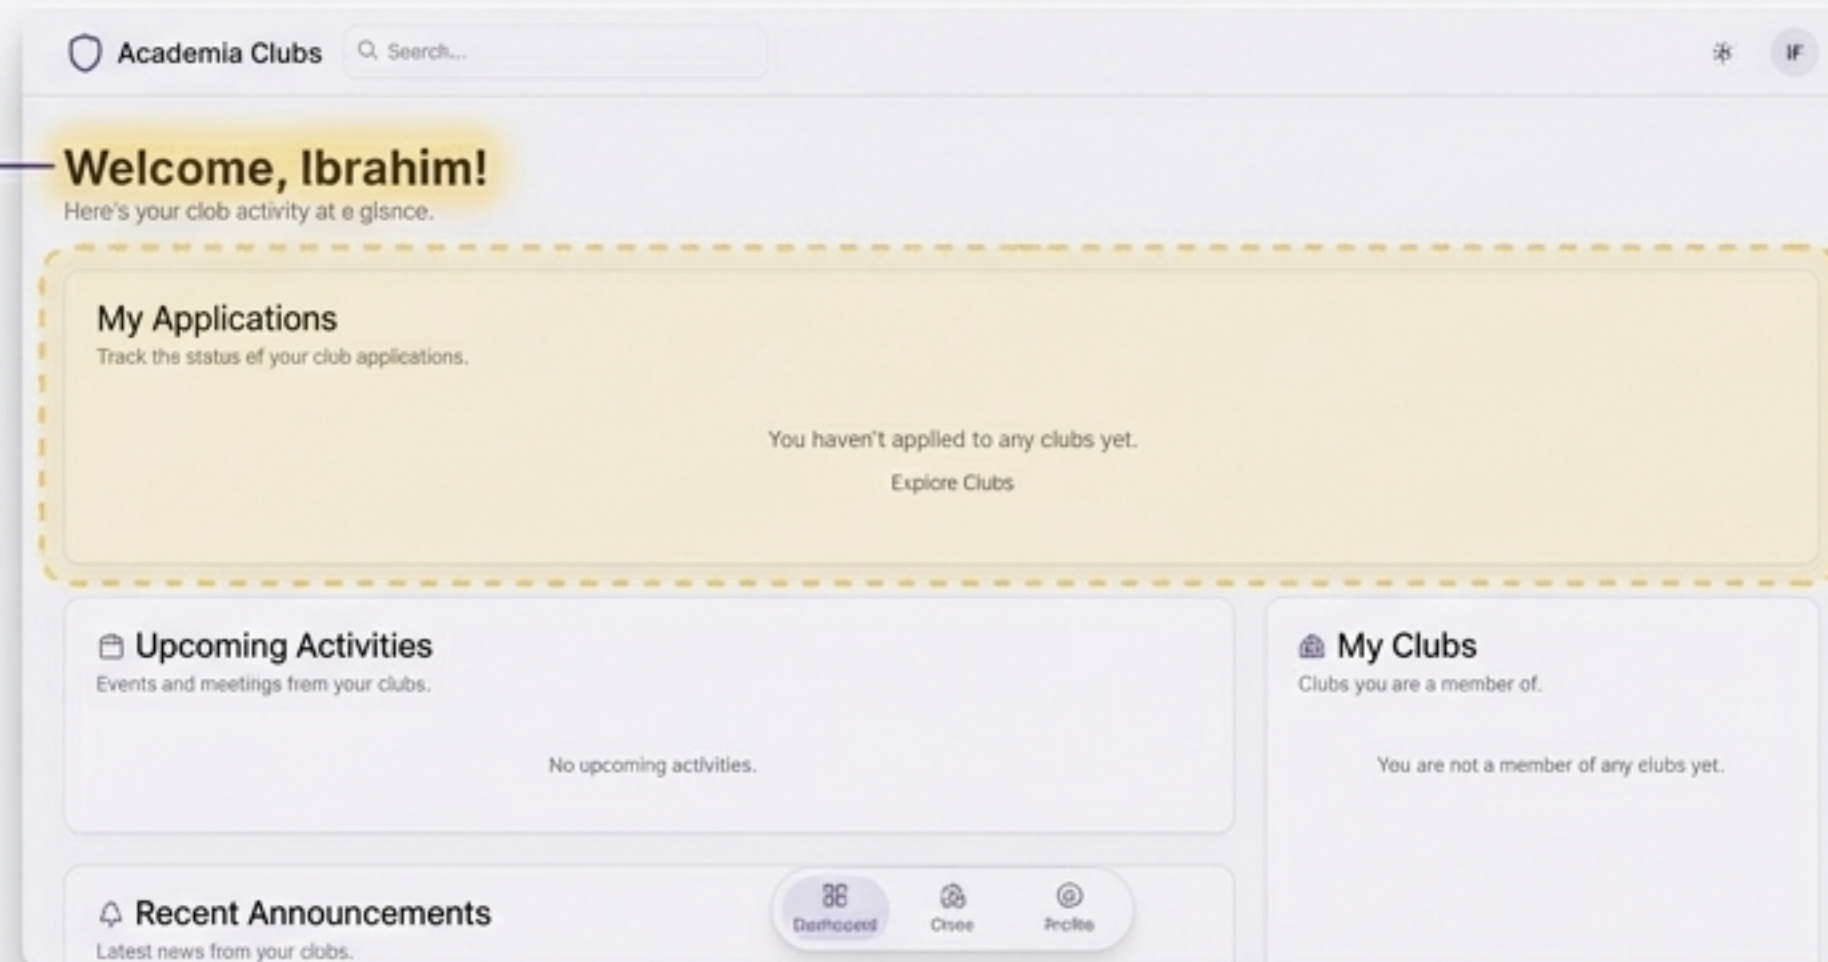

- First Name:** Ibrahim
- Last Name:** Faal
- grNumber:** AQ101
- Email:** ibrafaal@gmail.com
- Gender:** Male
- Class:** 1057
- Password:** (masked with dots)

A purple button at the bottom is labeled 'Create Account'. Lines connect the list items on the left to their corresponding fields in the form.

# Welcome to Your Club Dashboard

Upon successful registration, the system will automatically log you in. Your dashboard is where you will explore clubs, manage applications, and see announcements.

The system greets you by name.

This is where you'll track your club applications.

# Part 2: Acquire the Key

Purchasing Your Registration Token

# A Token is Required for Each Club Application

Before you can apply to a club, you must have a registration token. Think of it as a digital pass for your application.

## What It's For

One token is needed for each club you wish to join.

## Cost

Each token costs D30.

## Where to Buy

You can purchase tokens from the system admin or school office.

# Part 3: Find Your Passion

Exploring and Applying to Clubs

# Begin Exploring From Your Dashboard

Once you're ready to find a club, navigate to the "My Applications" section on your dashboard and click the "Explore Clubs" link.

## My Applications

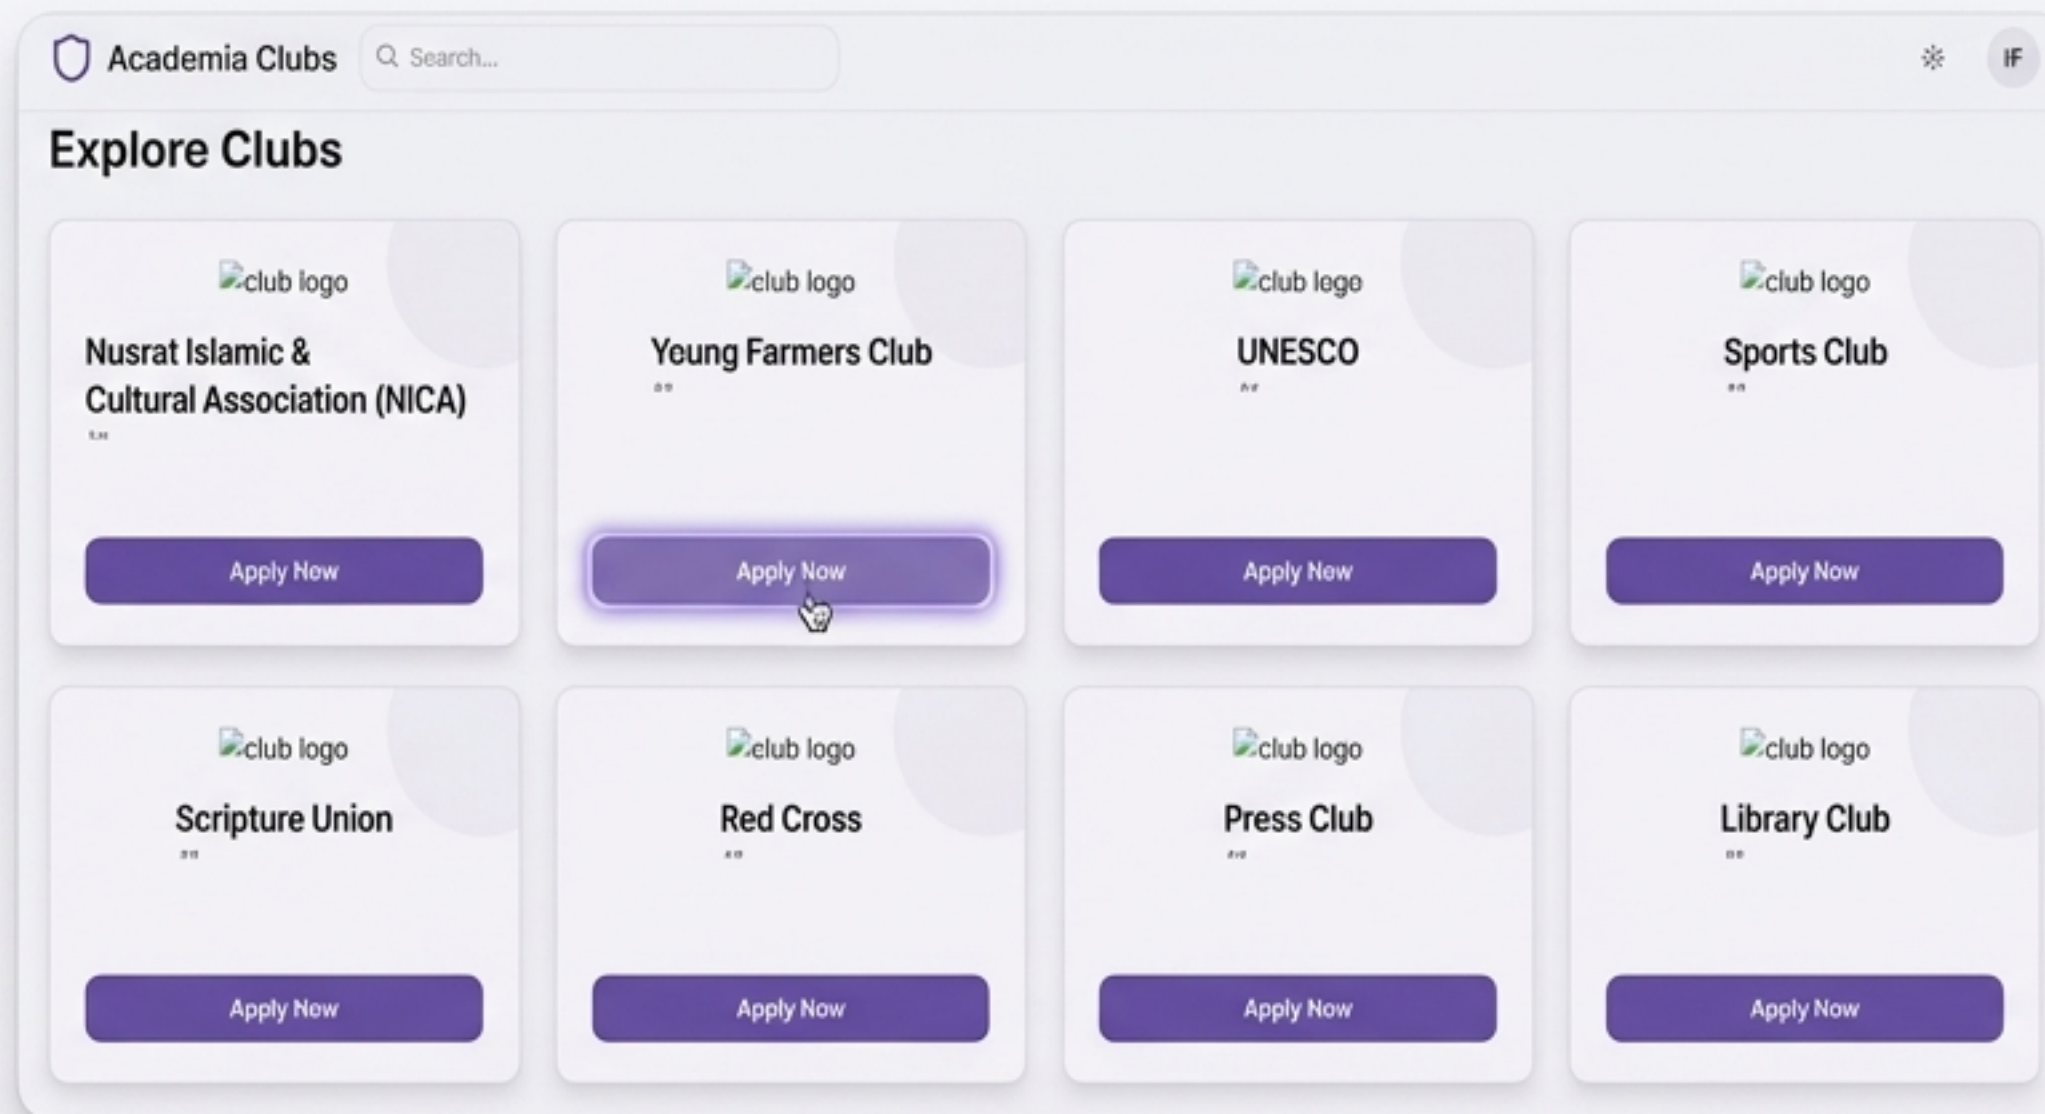

Track the status of your club applications.

You haven't applied to any clubs yet.

# Browse the Clubs and Choose Your Favorites

You'll see a list of all available clubs, from the Sports Club to the Red Cross. When you find one that interests you, click the "Apply Now" button to start the application.

# Complete the Application Form

The final step is to fill out the form. You will need to provide your reason for joining and enter your purchased registration token.

Explain your interest in the club.

Enter the code you purchased (e.g., NS4373886742).

**Apply to Young Farmers Club**  
Complete the form below to submit your application.

Why do you want to join?

I want to join the club because I am interested in Agriculture. I want to have my own Agribusiness startup in the near future.

# Part 4: Watch Your Story Unfold

Tracking Your Application Status

# Track Your Status on the Dashboard

You can log in anytime to see the status of your applications.

In the 'My Applications' section, your submission will initially show as 'Pending.' This will be updated once the Club Admin reviews it.

**My Applications**  
Track the status of your club applications.

Young Farmers Club pending

'Pending' means your application has been received and is awaiting review.

# Your Adventure Begins Now.

Visit the platform to create your account and explore the clubs waiting for you.
